

## People's Legislative Alert Network

Omni Carbon Caps Task Force

*The purpose of PLANetwork is to establish a network of citizens and groups in Arkansas for environmental education purposes. When asked by the Task Force, members will contact their legislators, or post requests to their lists, to encourage citizens to vote for or against specific bills on environmental and global warming issues. Information will not be sold, traded or shared with anyone outside of Omni Center for Peace, Justice, & Ecology. It will not be used for any recruitment or general information purposes.*
